2. To make rules of procedure and conduct, to use improved methods and equipment, to determine work schedules and shifts, as well as duties, to decide the number of employees needed for any particular time and to be in sole charge of the quality and quantity of the work required.

3. The right of management to make such reasonable rules and regulations as it may from time to time deem best for the purposes of maintaining order, safety and/or the effective operation of the Department, after advance notice thereof to the employees to require compliance by the employees, is recognized.

UNION

4. To hire all employees, whether permanent, temporary or seasonal, to promote, transfer, assign or retain employees in positions within the Borough.

5. To set rates of pay for temporary, probationary or seasonal employees.

6. To suspend, demote, discharge or take any other appropriate disciplinary action against any employee for good and just cause according to law.

7. Nothing contained herein shall prohibit the Borough from contracting out any work.

8. To lay off employees in the event of lack of funds or under conditions where continuation of such work would be inefficient and non-productive.

g. The Borough reserves the right with regard to all other conditions of employment not reserved to make such changes as it deems desirable and necessary for the efficient and effective operation of the Department of Public Works (D.P.W.).

B. In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Borough, the adoption of policies, rules, regulations, Code of Conduct and practices in the furtherance thereof, and the use of judgement and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of New Jersey and of the United States.

ARTICLE III

MAINTENANCE OF WORK OPERATIONS

A. The Union hereby covenants and agrees that during the term of this Agreement, neither the Union nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walk-out or other illegal job action against the Borough. The Union agrees that such action would constitute a material breach of this Agreement.

B. In the event of a strike, slow-down, walk-out or job action, it is covenanted and agreed that participation in any or all such activity by any Union member shall be deemed grounds for disciplinary action.

C. The Union agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned supporting any such activity by any other employee or group of employees of the Borough, and that the Union will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and to return to work.

D. Nothing contained in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach of the Union or its members.

ARTICLE IV

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

UNION 
COMPANY 

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter formally with any appropriate member of the Department.

C. With regard to employees, the term "grievance" as used herein means an appeal by an individual employee or group of employees, from the interpretation, application or violation of the terms and conditions of this Agreement. With regard to the Borough, the term "grievance", as used herein, means a complaint or controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent.

STEP ONE: The aggrieved employee or the Union shall institute action under the provisions hereof within five (5) calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the immediate Supervisor, for the purpose of resolving the matter informally. Failure to act within said five (5) calendar days, shall be deemed to constitute an abandonment of the grievance.

STEP TWO: If no agreement can be reached orally within five (5) calendar days of the initial discussion with the Supervisor, the employee or the Union may present the grievance in writing within five (5) calendar days thereafter to the Superintendent of Public Works. The written grievance of this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable section of this Agreement violated, and the remedy requested by the grievant. The Superintendent of Public Works will answer the grievance in writing within five (5) calendar days of the receipt of the written grievance.

UNION 
COMPANY

STEP THREE: If the Union wishes to appeal the decision of the Superintendent of Public Works, such appeal shall be presented in writing to the Mayor and Council within five (5) calendar days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Mayor and Council or its designee shall respond in writing to the grievance within thirty (30) days of submission. Such decision shall be final and binding upon the parties.

E. Upon prior notice to and authorization of the Mayor and Council, one designated Union representative shall be permitted as a member of the Grievance Committee to confer with employees and the Borough on specific grievances, in accordance with the grievance procedure set forth herein, during work hours of employees without loss of pay, provided the conduct of said business does not diminish the effectiveness of the Borough of Demarest, or require the recall of off-duty employees. Such requests shall not be arbitrarily denied.

F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If the grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.

B. Overtime work will be kept to a minimum, except in cases of emergency and must be authorized in advance by the Department Head.

The Superintendent will use his best efforts to assign any required overtime to those employees who volunteer for it.

D. Double time shall be paid for Sundays, holidays, Christmas Eve and New Year's Eve.

E. Standby schedule will be rotated so that duty during holidays will be distributed equitably.

ARTICLE VII

VACATIONS

The following vacation schedule is applicable to all employees in the Unit:

A. Full-time employees:

1. The vacation season begins on the second Monday in April and ends on the second Monday in October. It is the responsibility of each department head to schedule employees to use all of their vacation time for which they are eligible. The only exception should be cases where, because of unusual operating requirements, management is unable to arrange for time off. In such cases, vacation carry-over should be authorized.

2. New employees. All new employees on the payroll as of January 1, will receive credit for one vacation day for each full calendar month of employment prior to January 1, not to exceed ten (10) vacation days.

3. Employees with more than one (1) year of service shall be granted vacation with pay as follows:

1	year, but less than 5 years.....	10 days
5	years, but less than 10 years.....	15 days
10	years, but less than 15 years.....	20 days
15	years.....	22 days

Date of employment shall be used to compute vacation time.

UNION
COMPANY

B. All vacation time shall be used in the current year and shall not be accumulated without the prior approval of the Department Head, and further subject to any special provision that the Department Head, in his reasonable discretion, determined to be in the best interest of the Borough.

C. A vacation period of one work week must be taken at one time. Vacation periods of more than one week may be taken in consecutive weeks upon approval by the Supervisor, or, in the case of a Supervisor, upon the approval of the Councilmember in charge of the Department. However, vacation periods of two, three or four work week periods may, at the option of the employee, be divided into weekly periods.

D. The time of the year of the vacation shall be determined by the Department Head with due regard for the wishes of the employees, and with particular regard for the needs of the Department. Insofar as possible, the employee with the longest continuous service shall have preference in the assignment of vacation periods.

E. Vacations shall be so scheduled as to obviate the need for temporary increases in personnel. Schedules shall be subject to any adjustments necessary for the best interests of the Department. No changes in vacation schedules shall be permitted by the employees, except by permission of the head of the Department. All requests shall be submitted in writing by March 15th of the calendar year in which the vacation is to be taken. No more than two (2) men shall be permitted to be on vacation at any time.

F. No refund of vacation time shall be allowed to illness incurred while on vacation leave.

ARTICLE VIII

SICK LEAVE

A. Sick leave is hereby defined to mean absence from post of duty because of illness, accident or exposure to a contagious disease requiring isolation.

B. Only full-time permanent employees shall be entitled to sick leave with pay as follows:

UNION 
COMPANY

A maximum of fifteen (15) days per year, per man.

C. An employee who has been absent on sick leave for three (3) or more consecutive work days will be required to submit acceptable medical evidence substantiating the illness. The Superintendent of the Department of Public Works may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable. Abuse of sick leave shall be cause for disciplinary action.

In all cases of reported illness or disability suffered by an employee, the Borough reserves the right to send for a medical physician to examine the employee and to report on the condition to the Department Head and/or the Borough Clerk.

D. During protracted periods of illness or disability of an employee, the Department Head may require interim reports on the condition of the employee at weekly or bi-weekly periods from the attending physician and/or a Borough medical physician. When under medical care, employees are expected to conform to the instructions of the attending physician if they wish to qualify for salary payment during such periods of illness or disability.

E. The rules which follow apply to the payment of salaries during periods of illness or disability of regular, permanent full-time employees. Permanent part-time and/or seasonal temporary employees are not entitled to compensation for such absences.

F. No employee shall be allowed to work and endanger the health and well-being of other employees, and if the employee's condition warrants, the employee may be directed to take sick leave. The Superintendent may direct the employee to the Borough physician for an opinion as to the eligibility of the employee to be absent from work.

G. Sick leave with pay shall not be allowed under the following conditions:

1. When the employee, under medical care, fails to carry out the orders of the attending physician.

UNION *KHD*
COMPANY

2. When, in the opinion of the Borough medical physician, the employee is ill or disabled because of self-imposed contributory causes.

3. When, in the opinion of the Borough medical physician, the disability or illness is not of sufficient severity to justify the employee's absence from duty.

4. When an employee does not report to the Borough physician.

5. When the supervisor is unable to contact the employee, unless the employee has notified his supervisor in advance of medical appointments scheduled for and kept by the employee.

H. The recommendation of the Borough medical physician as well as those of the attending physician as to the justification for the absence from duty on account of disability or illness, or of the fitness of the employee to return to duty, shall be considered by the Superintendent of Public Works. The Superintendent of Public Works reserves the right in such cases where there is a difference of professional opinion between the Borough physician and the personal physician, to require the employee to submit to an examination by a third doctor.

I. In charging an employee with sick leave, the smallest unit to be considered is one-half (1/2) of a working day.

J. Sick leave shall not be allowed for such things as ordinary dental care, nor for any other professional service that may be normally scheduled within the employee's regular off time. The utilization of sick leave for elective medical procedures will not be considered without sufficient medical evidence to substantiate the necessity of scheduling the medical or dental services during the work day.

K. If any employee is absent from work for reasons that entitle him to sick leave, the Superintendent, or his designated representative, shall be notified as early as possible, but no later than one (1) hour prior to the start of the scheduled work shift from which he is absent. Failure to notify the Department Head or his designated representative may be cause for denial of

UNION
COMPANY

the use of sick leave for that absence and constitute cause for disciplinary action. An employee who is absent for two (2) consecutive days or more and does not notify his Department Head or some other responsible representative of the Borough on any of the first ~~two~~ (2) days, will be subject to dismissal, absent extenuating circumstances.

L. Habitual absenteeism or tardiness may be cause for discipline up to and including discharge.

ARTICLE IX

FUNERAL LEAVE

A. In the event of death in the employee's immediate family, the employee shall be granted time off without loss of pay from the day of death up to and including the day of the funeral, but in no event shall said leave exceed three (3) days.

B. The "immediate family" shall include only mother, father, sister, brother, husband, wife, child, mother-in-law, father-in-law, stepparents and grandparents of employee.

C. Reasonable verification of the event may be required by the Borough.

D. Such bereavement leave is not in addition to any holiday, day off, vacation leave, or compensatory time off falling within the time of bereavement.

E. An employee may make a request of the Superintendent or his designated representative for time off to attend a funeral separate and distinct from bereavement leave. Such request, if

UNION 
COMPANY

reasonable, will be granted by the Superintendent or his designated representative for a reasonable time. It shall be charged, at the option of the employee, either as a sick day or against accumulated compensatory time off, or against any unused vacation leave.

ARTICLE X

D. Where it is necessary to maintain service requiring an employee to work on an official holiday, that employee may be compensated by being permitted to take an equal amount of time off with pay on a regular working day at a time approved by the department head.

E. Should an official holiday occur when an employee is on sick leave, he shall not have that holiday charged against his sick leave.
